 =====

As of 1-31-99, 141 invoices were outstanding with a balance of \$83,112 with an allowance for doubtful accounts of \$11,883. Since HAL-PC is now billing advertisers directly, the Accounts Receivable volume has increased considerably. Please see the Accounts Receivable Aging Report for the detail of these figures. The discrepancy between Accounts Receivable as shown on the Balance Sheet and as shown on the Aging Report are due to finance charges assessed against customer invoices past 60 days.
